

It is time to Apply!!

The School to Apprenticeship Programs

Get Electrified, Frame Your Future and Cutting Edge Technologies

To be eligible for these programs all candidates must meet the following criteria:

All applicants must have a 2.5 overall high school cumulative GPA, a good attendance record, a valid Washington State Driver's License by June 2010 and reliable transportation. All applicants also must be able to pass a pre-employment drug screening along with proof of your participation in Running Start or Early Release.

Spring 2010

Program Orientation
Employability skills assessment
Panel Interviews
Drug Screening
CASAS Test

Summer 2010

Employment starts June 2010
Safety training and industry regulations
Get paid \$8.55 per hour to learn **and** work!

During Senior Year

Continue to work part-time with a local electrical/carpentry or sheet metal/HVAC company. Continue to learn industry specific training and participate in Running Start or early release. Your pay increases to \$8.75 per hour (based on positive work evaluation)!

After Graduation

You are on your way to a successful career! You now are eligible to work full-time in pre-apprenticeship work until you are accepted into an electrical, carpentry or sheet metal/HVAC apprenticeship program. Your pay continues to grow as you progress through your industry specific training.

To apply for this program:

Complete an application; enclose your school transcript, attendance records, and a letter of recommendation from a teacher or counselor. Fax your application to 253-573-6664 with cover letter or mail your application to Trudy Poole, WorkForce-Central 714 South 27th Street, Tacoma 98409-8130.

PICK UP AN APPLICATION FROM YOUR SCHOOL'S CAREER CENTER. THIS PROGRAM IS ONLY FOR **HIGH SCHOOL JUNIORS!**
